7<sup>th</sup> November 2023

Dear Neighbour,

I am writing on behalf of the City of London Corporation regarding upcoming works to refurbish Finsbury Circus Gardens.

As you may be aware in 2021, The City of London consulted on proposals to implement a series of improvements to Finsbury Circus Gardens which seek to retain its character as a green haven, refresh and enrich the planting, and carefully integrate new paths and seating with the aim of creating a more inviting place for the local community to relax and enjoy.

Following approval, The City of London are now in a position to implement these works and contractors are due to begin on site on **Monday 20<sup>th</sup> November 2023**. The works are scheduled to take approximately one year to complete with the Gardens scheduled to re-open in late-Autumn/early-Winter 2024.

The City of London are committed to keeping close neighbours informed of the progress of the works. Therefore, a dedicated Community Liaison website has been launched to provide information on the approved proposals, updates from the contractor, and contact details should neighbours need to get in touch with the project team. The website can be found at:

- **[FinsburyCircusGardens.co.uk](https://www.finsburycircusgardens.co.uk)**

As part of the site set-up and construction operations, we require several motorcycle parking bay suspensions. These suspensions are expected to be required for the duration of the project, therefore if you believe this will affect you in any way then please do not hesitate to get in touch with the team using the contact details below.

The parking bays suspended for the duration of the works will be:

- MF9-M12 and MF23 Motorcycle Bays (North and West quadrates of the gardens)
- F32, TRF1 E-Scooter and Cycle Rack. (From 1st Feb 2024)
- CPLB1 Loading Bay on Circus Place

The nearest location for alternative bays:

- Motorcycles:
  - Northeast and southwest quadrates of the gardens
- E-scooters-Cycle Hire Bays:
  - Moorfield/Moorgate station

If you have any questions about the upcoming works or would like to speak to a member of the project team, then please do not hesitate to get in touch at [FinsburyCircusGardens@kandaconsulting.co.uk](mailto:FinsburyCircusGardens@kandaconsulting.co.uk) or call 0203 900 3676.

Yours sincerely,

**Luke Jebb**

*On behalf of the City of London and Finsbury Circus Gardens Project Team*
